Piyush Saini

Web Developer

sainipiyush7171@gmail.com 9992692515 Yamunanagar,Haryana,India

SUMMARY

Enthusiastic full-stack developer skilled in frontend and backend technologies including HTML, CSS, JavaScript, PHP, SQL, MongoDB, Express.js, React.js, and Node.js. Eager to contribute to innovative projects and grow in a professional development environment.

EDUCATION

- **Bachelor of Technology (B.Tech)** 2023 – Present
Seth Jai Parkash Mukand Lal Institute of Engineering and Technology, Radaur

- **Higher Secondary Education (Non Medical)** 2022 – 2023
New Happy Public School

TRAINING EXPERIENCE

- **Web Development Training– Next Algorithm, Yamunanagar**

Worked on front-end and back-end using **HTML, CSS, JavaScript, Bootstrap, SQL,PHP and MERN Stack**. Developed responsive layouts and database-driven functionality, improving understanding of the full-stack development process.

PROJECTS

- **Job Portal**

Developed a full-stack Job Portal web application using MERN stack technologies where users can register, log in, search jobs, and apply online. Implemented secure authentication, job posting management, user dashboards, and database integration for storing user and job information. Designed a responsive and user-friendly interface using HTML, CSS, and JavaScript to enhance user experience.

- **Credit Card Application Management System**

Developed a Credit Card Application Management System to streamline the process of credit card applications and user data management. Implemented features such as user registration, application submission, status tracking, admin verification, and secure database handling using HTML, CSS, JavaScript, PHP, and SQL
